

Alden Justin Jay M, Manisan

Block 53 Lot 7 Ph.2, Pinagsama Village, Pinagsama, Taguig, Metro Manila | +639478846581 | aldenmanisn12@gmail.com

PROFILE

I am a student who is learning programming in C# and although my knowledge is still not deep enough I am striving to become knowledgeable and become useful for the company that I will work for in the near future. Another goal of mine is to acquire sufficient work experience and improve my skills not only in programming and designing, but also in communicating with my peers in this industry that I'm heading for.
